

PROPOSAL TO AMEND THE ARTICLES OF ASSOCIATION OF

PROSUS N.V.

with official seat in Amsterdam, the Netherlands.

This document contains an explanation to the proposed amendments of the articles of association of Prosus N.V. (the **Company**), as included in the agenda of the general meeting of the Company.

Amendment Articles of Association - Capital Decrease Alternative I

This proposal for the amendment to the Articles of Association relates to the proposed capital reduction which will be implemented in 2023, alternative I.

The first column displays the (then) current text of the provisions of the Articles of Association for which an amendment is proposed. The second column displays the proposed amendments. Additions are shown <u>underlined</u> and deletions are shown by means of a <u>strikethrough</u>. The third column provides brief explanatory notes per amended/new Article.

The text of the proposal below is an English translation of a proposal prepared in Dutch. In preparing the text below, an attempt has been made to translate as literally as possible without jeopardising the overall continuity of the text. Inevitably, however, differences may occur in translation and if they do, the Dutch text will govern by law. In this translation, Dutch legal concepts are expressed in English terms. The concepts concerned may not be identical to concepts described by the English terms as such terms may be understood under the laws of other jurisdictions.
